Before class:

- Cut out all pattern pieces
- If you want yours embroidered, embroider it before class.

- For cube organizer, use your 8" x 6 ½" piece; for the long organizer; use your 8" x 8" piece. Fold the piece in half, mark center of lower half. Center your design using that mark.

Embroidery on zipper pockets:

- Draw line on the fold line of pocket
- Using a sticky stabilizer, or hoop Ultra Clean and Tear, in a medium size hoop.
- Place pocket so that the bottom half is inside the hoop.
- Change size of design, if needed, so that it will fit in this area.
- The top of the design will be next to the marked fold.
- Please use the check size in your machine, (where the hoop moves to show where the design will be placed, so that you can be sure that the design is not larger than the area you will be putting it on.) You will have a seam at the bottom, and will have top stitching along the top, so it needs to be a little more than ¼ inch from both edges, and the sides.
