Friday, Jan. 27th, 10:00-4:00

Class Fee: \$65.00, includes lunch

Instructor: JULIE HOCKER, LadyHawk Designs

This technique workshop incorporates design methods from most of the LadyHawk designs patterns. The techniques that will be covered are: creative methods and uses for free motion stitching (thread drawing), bobbin work, and easy ways to couch fibers and embellishing threads.

Please bring the following items to class:

- Your sewing machine, with all accessories – don't forget your foot pedal,
 - cord, and **instruction manual!** See NOTE below
- Darning foot to fit your machine (or after market 'Big Foot' will work fine)
- Heck, just bring all your feet!
- Basic sewing supplies
- 3 or 4 extra bobbins (empty)
- A variety of scraps for practicing techniques – just 2 or 3 fat quarters will do
- Approximately ¼ yard or a fat quarter of muslin or white plain cotton fabric
- ****LadyHawk designs pattern or kit of your choice (optional – available at class)**
- ****Rayon threads in a variety of colors (if you have them)**
- ****Embroidery needles (if you have them)**
- ****1 package or 1 yard water soluble stabilizer (e.g., Sulky Solvy)**
- ****Machine embroidery hoop (7" spring hoop works great)**
- ****A variety of yarn, fibers, floss, and/or embellishing threads (if you have them)**
- Bring your 'second' bobbin case if you have one (**don't** buy one for this class!)
- Bring your 'portable sewing table' if you have one

- ** = I will have these items available for purchase in class.
- Singer Featherweight 221 is not very compatible with this class - if you have another option for your sewing machine, you'll be more successful in class.
