

America's Freedom Gallery

# WEST CLINTON ELEMENTARY

# MORONI ELEMENTARY

An excellent presentation using limited space.  
The gallery is a “wrapped” presentation, yet still keeps  
the integrity of the story.

# SPRING CITY ELEMENTARY

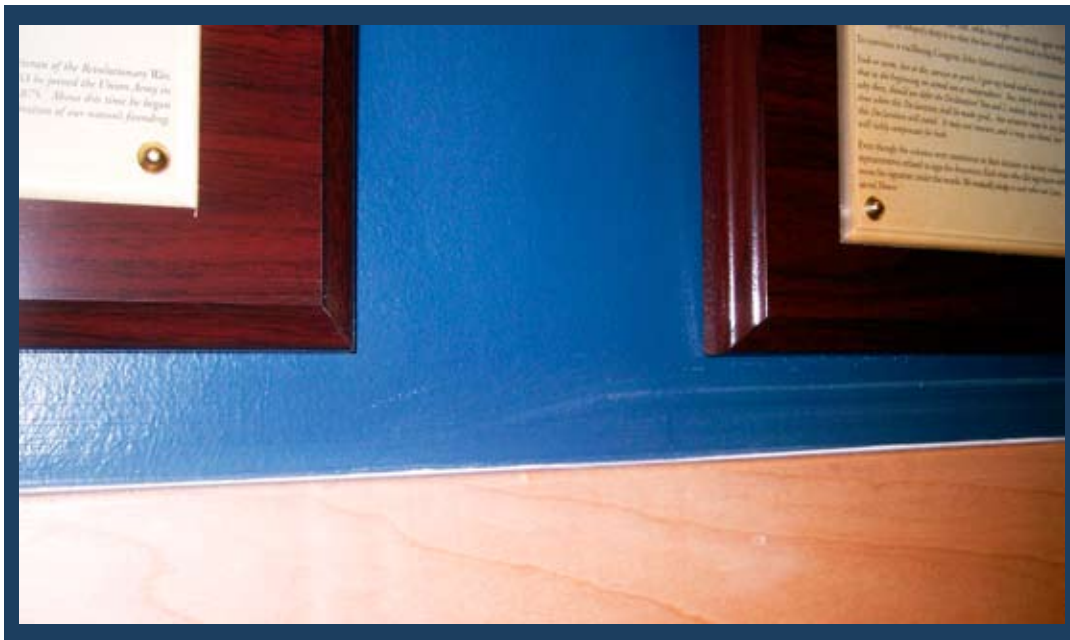

**A unique but beautiful layout.**

\*please note: Without using a linear display it is more difficult to keep the flow of the story.

# WASATCH PEAKS ACADEMY

While the larger images above are arranged as a collage, the Freedom Gallery story flows through the storyboards below.

Inexpensive  
yet beautiful.  
The Gallery is  
displayed on a  
painted wall.
