

# Announcing the ALL-NEW *Cries of Freedom* Family Curriculum Package!

You can immerse your children in early American History and the founding principles of our country using exciting and interactive readers' theaters, video, music, and more!

Personalize our Founding Fathers by re-enacting critical and inspirational events in our nation's founding.

Let your children experience the passion and frustration of overcoming almost insurmountable obstacles in the quest for freedom and establishing a new government in America by using compelling teaching strategies and exciting curriculum.

## Cries of Freedom is set up as a six-act play.

**Act 1** – Cries of Tyranny: Events leading up to and including the Declaration of Independence

**Act 2** – Cries of War: The War for Independence

**Act 3** – Cries of Anarchy: The Articles of Confederation time period

**Act 4** – Cries of Reform: The Constitution

**Act 5** – Cries of Protection: The Bill of Rights and Amendments

**Act 6** – Cries of America: What it means to be an American

**Art and Document History:** Fascinating discovery of each document and artwork in the gallery
