## Saying goodbye to a part of Commerce History

Commerce Avenue will not be the same with the lights at Star Cash Grocery Store out. It is a part of this town's history and probably a part of your history as well. Many memories have been made in the 74 years the store has been open, but like so many of our small country stores, Star Cash closed its doors and memories are all that's left. The City of Commerce would like to thank the Geren family, and Janet Trease who worked with them, for all their years of service to the citizens and people of this area.

We would like to thank the citizens of Commerce who have provided us with a copy of their CDIB cards. We really appreciate you taking your time to bring those to us. We are still accepting copies of these cards if anyone has not turned theirs in yet. You may bring a copy by City Hall or drop it in the drop box. Again, thank you for your help.
