All residents are responsible for mowing and weed eating the ditches at their residence and keeping them cleaned out so the water will flow.

Also, spring clean-up is done once a year. The City will pick-up only during that time.

**Do not place items at the curb** any other time. If you have things there at this time you must remove them yourself with the exception of brush.

See enclosed flyer for details on  
this year's Oktoberfest!

*"October gave a party;  
The leaves by hundreds came-  
The Chestnuts, Oaks, and  
Maples,  
And leaves of very name.  
The Sunshine spread a carpet,  
And everything was grand,  
Miss Weather led the dancing,  
Professor Wind the band."
