City officials believe that public recognition of those who take care of their property will encourage all citizens to make an effort to keep our city clean. Plans for the City of Commerce neighborhood pride award, are expected to be implemented before the first of the year. Details were to be presented to the Mayor and Council during November's meeting. The last few months have seen an improvement in the overall appearance of the residential neighborhoods throughout the City.

Plans are being made to provide literacy classes in Commerce. If you are interested in these classes please contact City Hall and leave your name and phone number for someone to get back with you. (675-4373)
