

# Unroll the Blueprint!

Join fellow citizens, community leaders, and your elected officials.

## Vision Summit

Saturday, August 27, 2011

9:30 a.m. Continental Breakfast • 10:00 a.m. Program

Garden City Complex, 145 West Logan Road, Garden City

Please join citizens, elected officials, and community leaders from Rich County, Utah and Bear Lake County, Idaho as they unroll the Bear Lake Valley Blueprint, the public-inspired vision for the Bear Lake Valley's future. Learn more about the process, the vision and the implementation that is already underway!

More than 1,000 residents and a broad-based steering committee developed the vision. Residents and elected officials from all nine municipalities and the counties participated in 13 public meetings and two on-line surveys to explore and identify a vision for future growth.

**Together we build our legacy.**
