### CONSTRUCTION OF THE QUILT TOP
STAR BLOCKS

Draw a line diagonally corner to corner on the wrong side of the red star print squares. Place the 2" square on the 2" x 3 ½" rectangle background fabric. Sew on the line. Trim ¼" from the seam. Repeat this on the other side of the rectangle to create the star points. Make four Add 2" squares background to two of these units. The center is the 3 ½" square blue animal face print. Piece the stars as shown. *Press seams in opposing directions* Make 10 star blocks.

STAR BORDER
Sew the side borders: three 6 1/2" x 12 1/2" gold bird rectangles alternating with two star blocks; add to each side of the quilt top.
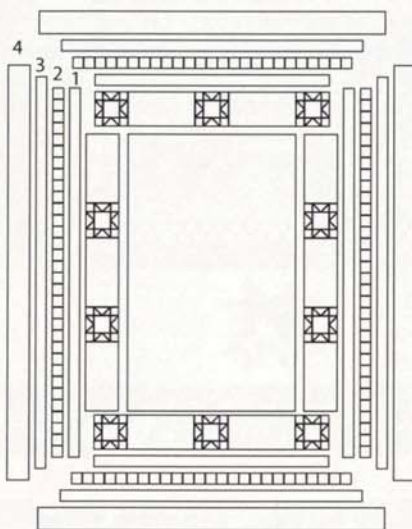

Sew the top and bottom borders alternating three star blocks with 2 gold bird rectangles; add to the quilt top.

BORDERS *Press seams toward borders.*
* Sew inner border #1, red star print 2½" x 60½" pieces to the sides of the quilt top, then add the 2 ½" x 46 ½" pieces to the top and bottom.
* Border #2 is pieced with the 2 ½" squares of all the assorted prints. The sides have 32 squares each and the top and bottom have 25. Sew these borders to the quilt; first to the sides then top and bottom.
* The third inner border is pieced using the gold swirl print. Add to the quilt top as before. The side pieces are 2 ½" x 68½" and the top and bottom measure 2 ½" x 54 ½"
