### Directions

Prior to starting this project, please check our web site for any updates: [www.clothworkstextiles.com](http://www.clothworkstextiles.com).

The instructions are written for the Red Skirt. If you prefer to make the Purple Skirt, please use the instructions in parenthesis.

#### Center Star

1. Measure the seam lines at each point of the triangles and place a mark on the wrong side where the seam lines cross each other. This is the point that you will start and stop each seam remembering to backstitch each time. Repeat on the diamond shapes.

Diagram 1

2. With right sides together place a Red Dot (Gold Dot) diamond and a Green Dot (Purple Dot) diamond together matching two of the marks. Sew the seam starting and stopping at the marks, press. Diagram 2

3. Next place a Green Plaid (Red Star) triangle in the "V" of the unit you just created in step 2 and match the marks on one side. Sew the seam starting and stopping at the marks. Repeat on the other side of the "V".

Diagram 3

4. Repeat steps 2 and 3 to create four units. Make sure the Red Dot (Gold Dot) diamond is always on the same side.

5. Sew two of these units together to make a half-star unit and press. Then sew the two half stars together to complete the star and press. Remember to start and stop at the marks.

6. Sew a Green Plaid (Red Star) triangle to a Red Star (Green Dot) triangle to make a half-square triangle. Repeat to make four half-triangle squares.

7. Sew a half-square triangle square in the remaining V's of the star you made in step 5, starting and stopping at your marks, press.

#### Border

1. Sew two Green Ornament Toss (Multi-Color) diamonds together in the same manner as you did above. Then add a Red Dot (Purple Dot) triangle to the V of each unit. Repeat to make eight.

2. Referring to the diagram, sew two of these units together and press. Then add the Red Star (Green Dot) triangle to the V. Diagram 4

3. Next add a Green Ornament Toss diamond to each end of the strip you are making and press. Then add a Red Dot triangle to each of the V's. Diagram 5

4. Repeat steps 1-3 to create a total of four.

5. Sew one of these units to the right and left side of the center star remembering to stop at the marks. Sew the remaining units to the top and bottom. Then sew the corner seams where the borders meet and press.

#### Finishing

1. Layer quilt top, batting and backing and quilt as desired.
2. Center a 5" circle in the middle of the eight-point star and trace around it. Referring to the image on the front, draw a line from the circle to the outer edge. Carefully cut through all thicknesses up the line to the circle and then cut around the circle.
3. Add bias binding around the outside edge, along the cut edges and around the circle.

### Cut the Fabrics

WOF = Width of Fabric

LOF = Length of Fabric

#### Red Stocking

**From the Red Ornament Toss cut:**

2 - stocking shapes with template provided

2 - stocking shapes with template reversed

**From the Red Stars cut:**

1 - 4" x 14" rectangle for cuff

1 - 1½" x 6" rectangle for tab

**From the Green Dots cut:**

2 - 3-¾" x 14" rectangles for cuff

#### Multi-Color Stocking

**From the Multi-Color cut:**

2 - stocking shapes with template provided

2 - stocking shapes with template reversed

**From the Purple Dot cut:**

1 - 9¼" x 14" rectangle for cuff

**From the Gold Dot cut:**

1 - 2¼" x 14" rectangle for cuff

1 - 1½" x 6" rectangle for tab

#### Purple Stocking

**From the Green Plaid cut:**

1 - 11½" x 14" rectangle for cuff

1 - 1½" x 6" rectangle for tab

2 - holly leaves from template provided

**From the Red Dot cut:**

3 - holly berries from template provided

**From the Purple Dot cut:**

2 - stocking shapes with template provided

2 - stocking shapes with template reversed

### Directions

Prior to starting this project, please check our web site for any updates: [www.clothworkstextiles.com](http://www.clothworkstextiles.com).

#### Appliqué and Layering

1. Apply appliqué shapes to your stocking if desired. Position them at least 5" down from the top of the stocking.

2. Layer stocking front, batting and lining and quilt as desired. Repeat for the back of the stocking.

3. Place stocking front on top of back with right sides together and sew around the outside edge, leaving the top open. Clip curves and turn the stocking right side out.

#### Cuff and Tab

1. Fold the long sides of the tab rectangle edges over ¼" to the wrong side and press. Then fold the tab in half and stitch close to the first folded edges. Fold the tab in half to make a loop and place inside the stocking near the seam on the heel side. Make sure raw edges are even and baste in place. Diagram 1

2. For the Red cuff, sew the Green Dot rectangles right sides together along the 14" edge and press seam open. Then sew the Red Star 3-¾" x 14" rectangle to either 14" edge and press.

For the Purple cuff sew the Purple Dot rectangle and the Gold Dot rectangle along the 14" edge and press.

Skip this step for the Green Plaid cuff.

3. Fold the unit created in step 2 lengthwise with the right sides together to create a tube. Sew along the 11½" (short) edge, press the seam and turn right side out. Then fold the cuff with wrong sides together so that the raw edges match and press.

4. Place the cuff inside the stocking, right matching the raw edges and seam. Pin in place.

5. Stitch the cuff to the stocking top, catching the tab in the seam. Pull the cuff out of the stocking and fold it over covering the top of the stocking and exposing the tab.

Diagram 1

The stocking template will need to be increased by 400%.

Full size templates. Add seam allowance if using for hand appliqué.
