# A Simple Pillowcase

*Pillowcase are so simple to make you may want to give one to everyone!*

## Materials Needed

3/4 yard of main fabric

1/4 yard of accent fabric

1/8 yard of trim fabric

## Instructions

1. Lay accent fabric flat right side up.
2. Fold and press trim fabric in half lengthwise and place on the top of the accent fabric.
3. Lay main fabric right sides together with accent and trim fabrics.
4. Temporarily fold main fabric up.
5. Pull the bottom of the accent piece to the top to join the seam. There should be four layers of fabric. You will make a tube of fabric.
6. Stitch using a 1/4" seam allowance.
7. Pull the tube out. Make sure that you caught all of the layers.
8. Press flat. Fold in half with wrong sides together and stitch a 1/4" seam down the side and bottom.
9. Turn the pillowcase inside out and stitch another seam down the sides and bottom.
10. Turn right side out and you are done.
