

ZIPLOC OMELET

(This works great !!! Good for when all your family is together. The best part is that no one has to wait for their special omelet !!!)

- 1. Have guests write their name on a quart-size Ziploc freezer bag with permanent marker.**
- 2. Crack 2 eggs (large or extra-large) into the bag (not more than 2) shake to combine them.**
- 3. Put out a variety of ingredients such as: cheeses, ham, onion, green pepper, tomato, hash browns, salsa, etc.**
- 4. Each guest adds prepared ingredients of choice to their bag and shake. Make sure to get the air out of the bag and zip it up.**
- 5. Place the bags into rolling, boiling water for exactly 13 minutes [we did 15 minutes]. You can usually cook 6-8 omelets in a large pot. For more, make another pot of boiling water.**
- 6. Open the bags and the omelet will roll out easily. Be prepared for everyone to be amazed.**

Nice to serve with fresh fruit and coffee cake; everyone gets involved in the process and a great conversation piece.
