HOT OFF THE PRESSES

Spring is here and summer is right around the corner! Spring is proving to be a very busy time at Thimble Towne! Starting off with the Best of the Valley Quilt Show, followed by the Seven Sister's Quilt Show, and finishing off the month of April with the 3rd annual Heart of the Valley Quilt Shop Hop, it's a busy time of year! We are very excited to be participating in all of these events and hope you are too.

With spring comes cleaning and renewal as well, Thimble Towne is no stranger to this either. In the beginning of the year we revamped our Beginning Quilting 101 class. The changes received rave reviews from new and experienced quilters alike! Our Beginning Quilting 102 class was also changed to incorporate a new quilt pattern, Amish with a Twist, by Nancy Rink. This is an excellent skill builder class for both new and intermediate quilters alike. The quilts our students turned out in this class were all beautiful and unique.

We are also happy to welcome back Charlotte Rogers to our class schedule this quarter as well. She will be teaching a revamped color and value class and has had plenty of time on her mini "hiatus" to come up with some new ideas that you will be sure to love! Kathy Hawkins who joined Thimble Towne in January will also start teaching this quarter too! Look for her Magic Squares class this coming May.

Look for some of our upcoming block of the month quilts coming early summer. We will be offering both color options of the Stonehenge Meets Jamestown Sampler block of the month. In addition we will also offer Vintage Rouge, designed by Vicki Bellino using Marcus Brothers fabrics. Thimble Towne will be hosting award winning machine quilter, Cindy Seitz-Krug for a two day workshop in June. Her workshop, Free Motion Feathers and the Background Stitches to Show Them Off, is one you will not want to miss.

With all the new and exciting changes make sure you plan plenty of time to come pay us a visit. Gather your fabric, dust off your sewing machines, and check out our class schedule. Spring has sprung and it's time to get sewing!

Keep Stitching,

Jeremy & The Amazing Thimble Towne Crew

The General's Wives

April 12, 2011 marked the 150th anniversary of the firing of cannons on Fort Sumter, South Carolina. It marked the opening day for the Civil War; a war that would divide families, friends and a country. It ultimately took the lives of over 618,000 soldiers (about 2% of the population of our country at the time).

The generals who served during this time had been friends, classmates or roommates at West Point prior to the war. Theirs was now the task to destroy that friend to support the cause in which they believed. This was not an easy decision. The wives of these generals had to support their husbands as they wrestled with those decisions.

This gorgeous quilt is 100 x 100 inches and includes 13 blocks, 3 different setting blocks, border and binding. Every block is prettier than the next and will entice all quilters!!! This amazing quilt comes with additional "easy to do" bonus projects that you are sure to love! Each block offers the history of these valiant women in the hopes that the quilter will enjoy learning a bit more about them.
