

Seasons in a Row

Block of the Month at Glad Creations

From the "Seasons in a Row" pattern by Quilt Country.

This is a 12 part Block of the Month. The first kit will be available in January 2012. The remaining kits will be available on the 1st of each month. The finished quilt measures 76" x 94" including border.

This charming quilt depicts seasonal motifs for each month of the year. The quilt is rotary cut and machine pieced. It uses the folded corner technique for piecing angles and triangles in some blocks, others are foundation pieced. Some of the fabric kits will also include fun novelty buttons and techniques to make this quilt really special.

Pricing:

The fabric kits for months #1-#12 are \$24.95 per month.

The sashing/border kit is \$42.00. You'll receive this kit along with the kit for your final month.

The "Seasons in a Row" pattern is \$17.00 and includes the instructions for each of the blocks and the layout of the quilt. You'll also receive embroidery floss along with your first kit that will be used throughout the quilt.

HOW TO PARTICIPATE IN THE BLOCK OF THE MONTH

Sign up to participate using the form below to be assured that we will reserve a monthly kit for you. You can come into the shop to pick up your kit each month or we can ship it directly to you (see shipping/payment methods below). The cost of each month's kit is priced as stated above.
