NEWS FROM THE LIBRARY

Ah, spring is in the air, it's windy and getting warmer, but it's always a good time to read. This month will be a special month, as we have weeded out the older books and many are available for "adoption" at the library. Stop in and check them out, help some older books find new homes! Also if you know of anywhere that will take book donations (nursing homes, hospitals, etc.) please let us know.

We are getting closer and closer to becoming automated, it is a very exciting time in the library, so make sure you come in often to see the new changes. On May 6th, the entire library will be revamped and reorganized including updating and organization of the card catalog. We will also be purchasing quite a few books in the next few months, if there are certain types of books or authors that you'd like to see in the library, let us know!

We are still looking for a PART-TIME worker, hours are flexible. Must be 55 or older and not currently employed. Please apply at the library.

We will also have an opening for a board member in April. If you are interested in helping to make a difference, please inquire at the library.

We are looking for ideas for projects to do with our kids after school and over the summer. We will have arts and crafts and movie days, as well as story times and puppet shows. Please email us or call with any suggestions.

(longtonbooks@yahoo.com) Is anyone interested in possibly forming a community theater group (all ages) to put on plays for the community? I certainly am, please let me know if you are too.

Watch for news in the next few months about our Summer Reading Program.

Our hours are Tuesday – Friday from 2:00 – 5:00 PM, unless otherwise posted.
