It's hard to believe that summer is slipping away so fast. We are lucky to live in Southern California where we have many beautiful days all year long. This summer has been very successful for our shop. With all the new classes, new services offered, and the various activities going on, we have made many new friends that we hope will be coming to our shop for a long time. Thank you all.

We finally have a **NEW SIGN** out in front so you can find us more easily. It has the same logo as we are now putting on our newsletter. It's bold and bright and will catch your attention. We hope everyone likes it as much as we do.

**Remember** that Andrea can baste your quilt for you so you don't have to crawl on the floor or find a space large enough. It will take her a lot less time. Call to get more information.

**Janice** is now offering to embroider your quilt labels. Our quilts are important to us and the label should reflect that same dedication to perfection. She charges a minimal fee and the turn around time is very quick.

### Here is our line up for August:

#### August 4<sup>th</sup> 9:30 AM – 4:00 PM

This is a new class being offered. The "Caitlyn Handbag" is the cutest bag I've seen in a long time. This one Janice made for her sister but it may never get that far. The cost is \$10.00 plus the pattern. There are still seats available. Call or come in to sign up.

#### August 7<sup>th</sup> 10:00 AM to 2:00 PM & 6:00 PM to 9:00 PM

This is the second in the series "Quilt in Rows". Janice is working on the next row as I type. It's not too late to join the group and catch up. This is a five month series and you will have this beautiful Christmas quilt when your done.

*This is just a sample, pick your own fabric*

### August 14<sup>th</sup> Craft Class

**Two Sessions 10:00 AM - 1:00 PM  
6:00 PM - 9:00 PM**

This class was so popular we added a daytime session to accommodate all our customers that wanted to take it. July was the itty bitty bag. August is going to be **Fabric Bowls**. They are easy and fun to make. There are different shapes and sizes. Come have fun with us. Come in or call to sign up for this class

### August 18<sup>th</sup> 9:30 AM – 4:00 PM

Sharon Wilhite will be here once again. This time she is teaching her beautiful “**Quilted Flourish**”. There are still seats available so call to sign up. The class fee is \$30.00 plus pattern. Call to reserve your seat today.

### August 21<sup>st</sup> 10:00 AM – 2:00 PM

Our first **Small Stuff** class was so much fun I can't wait for the next one. We will be getting more patterns in for you to choose from. If we have enough people wanting a night time class to make the darling wall hangings we will make it happen for you. Come in or call to sign up.

### The last event on our August calendar is “**Strut Your Stuff**”.

**August 21<sup>st</sup> Noon to 2:00 PM and again from 4:00 pm to 6:00 pm**

Come join us and show off what you've made. It can be a recent accomplishment or something you've had for a while. We just love to see what all the talented people out there are doing. We'll have prizes for those who share.

***See you soon!***
