We have scheduled the December Girls Day and Night out workshops. The Girls Day out is set for 12/7/11 at 10:00am and the evening Girls Night Out is scheduled for 12/16/11 starting at 5:30pm. Both workshops are popular, so please sign up early.

We would also like to remind everyone that our Third Monday Demo is coming up on 11/21/11. This month I will demo two of the Tucker Rulers. The "Wing Clipper" by Deb Tucker is the perfect trim down tool for Traditional Flying Geese Units. The second ruler is the "Tucker Trimmer". The Tucker Trimmer is used to quickly and accurately trim down pieced squares to exact measurements for perfectly sewn units every time.

As always, there are two sessions for the free demo's on Monday, 11/21/11. The Morning Demo starts at 11:00am and the evening session starts at 6:30pm. Please join us for this fun and informative demo. Any product used in the demo can be purchased at a discount that day.

Happy Quilting!
