

Country Roads News

The Kids are finishing school, the weather is hot, and summer has arrived in Morgantown! New fabric has also arrived at the Country Road Quilt shop. A patriotic collection by Henry Glass called Freedom's Star has arrived, a quilt featuring the Flag panel is hanging outside the shop. The Halloween Fabrics are back in stock and three new Christmas collections along with many favorites are arriving daily.

We are stocked with several pre-cut kits and projects that are priced far below national websites. Visit us online at www.countryroadsquilts.com or at the shop to see what is available.

We want to wish a Happy Birthday to our May Birthday Club members.

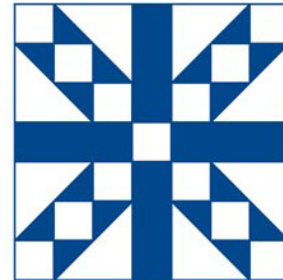

Cathy Bernardinilli, Linda Riley, Lena Wilson, and Jody Harder all saved 25% with their purchases.

Come join us on 6/20/12 for quilters day out and 6/22/12 for quilters night out. This month we have two cool make it take it projects. Both the pocket canister and Bridget's baguettes will help you get organized.

The shop will be closed the first week of July for vacation, we will be closed from Monday 7/2/12 and re-open on Monday 7/9/12.
