Designer Ruby™

Convenience to Cherish

EXCLUSIVE SENSOR SYSTEM™

Automatically and continuously senses and adjusts as you sew any thickness of fabric for perfect even feeding.

Exclusive Sensor Foot Lift

- Presser foot lowers and raises automatically for every sewing technique
- Four presser foot positions: down, pivot, up, extra lift for every sewing project and technique

Exclusive Sensor Foot Extra Lift

- Automatically lowers feed teeth for maximum space to slide thick and heavy fabric and quilts under the foot easily
- Your hands are free to guide fabric

Exclusive Sensor Foot Pivot

- Stop with needle down, foot senses thickness of fabric
- Automatic float position for instant pivoting, easy appliqué and quilting

Exclusive Sensor Foot Pressure

- Automatically and continuously senses the fabric thickness and adjusts as you sew for perfect even feed

EXCLUSIVE SEWING ADVISOR® AND EMBROIDERY ADVISOR™ FEATURE

Enter the type of fabric and the sewing technique and the Sewing Advisor feature instantly sets the machine for you.

- Sets the best stitch, stitch width, stitch length, thread tension, sensor foot pressure and sewing speed at the touch of a button
- Best stitch is displayed with the recommended presser foot and needle size and type on the Ultimate Interactive Screen

Enter the type of fabric and the Embroidery Advisor guides you.

- Enter the type and weight of fabric you will embroider and the machine recommends needle, stabilizer, top and bobbin thread

AUTOMATIC JUMP STITCH TRIM

Eliminate trimming time as you create beautiful embroideries.

- Cuts your embroidery jump stitches automatically
- Pulls the thread tail to the wrong side of the fabric for quick finishing

QUICK HELP

Instant on-screen explanation.

- Touch Quick Help and then any stitch, icon or function to see its name and explanation printed

QUICK GUIDE

- Everything you need to sew and embroider.

MULTIPLE LIGHT SOURCES

No shadows.

- Rows of light-emitting diodes (LED) over the needle area and over the sewing surface

NEEDLE STOP UP/DOWN

Lighted function button indicates setting.

- Set Needle Stop Up/Down for pivoting, appliqué and more
- Tap foot control or touch function button to move needle up or down at any time

SEE TWIN NEEDLE STITCH ON-SCREEN

See the stitch before you sew.

- Ultimate Interactive Screen shows you, in actual size, how your stitch will look when sewn with your selected twin needle size

FILE MANAGER

Organize your designs and stitches.

- Set up files and folders for your designs, fonts, customized design combinations, favorite stitches, and stitch programs
- Create, copy, move, replace, or delete a file or folder

Designer Ruby™

Innovation to Inspire

DESIGNED AND ENGINEERED IN SWEDEN

- HUSQVARNA VIKING® brand has engineered and manufactured superior quality sewing machines with cutting-edge technology for over 135 years

DESIGN POSITIONING

- Match your embroideries perfectly every time
- Design Positioning Wizard makes it so easy

RESIZE

Enlarge or reduce an embroidery design to the exact size you need.

- Recalculates the number of stitches so the new size embroidery has best density
- Choose Retain Fill Type and keep the original fills as the design is resized
- Reduce an embroidery design five times smaller or increase up to eight times larger than the original design

TOP AND BOBBIN THREAD SENSOR WITH ALERT SOUND

No need to check top or bobbin thread when sewing or embroidering.

- Stops sewing and alerts you with sound when your top or bobbin thread runs low or breaks

UPDATEABILITY

Your machine is always new.

- Update your machine with latest software via Internet
- Choose to update software only and/or restore to original default settings

DESIGNER TOOLS

New ways to enhance your embroidery experience and make it easier than ever.

DESIGN SELECT

Quickly select one or many embroideries for editing and personalization
