Amy Baughman Sew and Quilt

Machine Felting Artist , Isabella Hoffman.

August 24 and 25 here at Amy's

She has appeared on Sewing with Nancy and is a award winning fiber artist.

Using a Felting machine, a machine with barbed needles and no thread. Felting wool by pounding it together to meld the fibers together. Isabella also uses shading with markers to enhance the wool appliques. In the workshop you will create this lovely bunny using the Janome Felting machines. The machines will be provided for the workshop as well as the kits. Only 10 people per workshop, 2 workshops on Saturday. Her work is amazing and she will show you how easy it is to work with wool. Friday the 24th, Isabella will be doing a Trunk Show and Book Signing Price to be announced.

Nursery School: September 14th and 15th. Two days of Sewing for Baby: Join Amy for a warm and fuzzy weekend.
