

Hands-On Embroidery Education

suitable for all levels

Hosted by Cathys Sew & Vac

presented by Steven Batts

John Deer's

 Adorable Ideas

Join us for...

Two full days of fun filled learning and sewing. You will see step-by-step, how speciality embroidery techniques are done. Learn and complete several different techniques within a team. Every person in the group will take home their completed projects.

NEW TECHNIQUES

LOTS OF FUN

\$6888

two days

includes lunch and snacks

FREE Software!

All attendees will receive Adorable You Basic

Easy to use software that turns digital photos into embroidered appliqué.

Combine a scanned image or a digital photograph with the built-in appliqué designs and your own embroidery to create perfectly placed appliqués.

It's fast, easy and fun!

**Create Unique Custom Designs
Without Digitizing**

**AYBasic
\$279.95
Value**
