

## Additional Patternlet Ideas

These little pillows are just the right size for a gift, and very simple to make. The two pillows shown are made using TWBP18 Snowman & Tree patternlet, but you could really use just about any of the patternlets. I could even see the TWBP14 Bumble Bee for spring, or turn the pillow sideways and use the TWBP10 Snowballs or TWBP08 Candy Corn. As always, use your imagination!

### Directions:

- A- Cut 1 rectangle 5 1/2" x 9 1/2"
- B- Cut 2 strips 1" x 9 1/2"
- C- Cut 2 strips 1" x 6 1/2"
- D- Cut 2 strips 1 1/2" x 10 1/2"
- E- Cut 2 strips 1 1/2" x 8 1/2"

Piece the pillow top together following the diagram to the left. Start by sewing piece (B) to each side of piece (A) and press seams towards outside of block. Continue with piece (C) and so on, pressing after each piece is attached.

Following patternlet directions, cut out the applique pieces (with fusible web on back) and iron to the pillow. (Only a portion of the snow is used.) Stitch around each piece using a blanket stitch.

Cut a back piece measuring 8 1/2" x 12 1/2". Lay the back on top of the pillow front, right sides together, and pin in place matching edges. Sew around the whole pillow (using 1/4" seam), leaving an opening at the bottom big enough to turn the pillow right sides out and stuff. After you have stuffed the pillow, hand-sew the opening closed, and sew on all buttons and embellishments.
