

Snowman Bag Patternlet Ideas

Use P01 Snowman Patternlet (or any of the patternlets) to make this gift bag to put your towel or other goodies into. Simply trace the patterns onto paper or cardstock (you will probably have to make templates first to trace around), cut out, and glue onto a paper bag, a gift wrapped in kraft paper (and write To: and From: on his belly) or even size down on your scanner and put on the front of a blank card!
