from by Cotton's Trade

From one panel you can make all this!

(Click on the picture above  
to see closeups of these  
projects on our blog.)

Let your local quilt shops know so they can order now. Then you can make ALL 11 of these great projects from just ONE master panel! The best part is, the directions are ON the panel! Here at The Wooden Bear, we like to make things easy. To see more, check out the *Quilt with the Stars* show (details on right), where I give you a sneak preview.
