To do this, either use your Eleanor Burns Flying

Step 1 - Center Square - Make 1

Take a center 3 1/2" square and sew black
triangles to opposite sides. You should have
2 3/4" between seams when you press the
triangles away from the
center block. If this is
correct, sew the other
2 triangles on.
Square to 4 1/2".

Assemble the Block in
rows as shown
