

## **2012 Block of the Month - Love Letters**

**Our pieced block of the month is Love Letters**, using fabrics from Moda's *Etchings* collection by 3 Sisters and the Love Letters BOM pattern by Sherri Falls of This n That. The finished size is 65" x 83".

*Classic French elegance is captured beautifully in this collection of lush botanical designs, some featuring delicate, sinuous line work to coordinate with the engraved architectural print derived from an antique book the Sisters acquired on one of their many flea market jaunts. Damasks and tapestry prints, as well as a lovely range of woven cotton in warm shades of grey stone, aqua, rich red and ivory parchment paper are reminiscent of stepping off the bustling Paris streets into a grand foyer of a historic theater with dramatic draperies and ornate moldings.*

There are six blocks in the quilt and each is used twice. So, we are making this an 8-month program:

January-Block 1	May-Block 5
February-Block 2	June-Block 6
March-Block 3	September-Sashing
April-Block 4	October-Borders & Binding

Note there are no meetings scheduled in July & August. This will give you time to complete your blocks (and maybe take a vacation!). In November, we'll have a party to show off our finished quilt tops, share stories of the journey, and have some food and fun!

***The cost for the Love Letters BOM is \$25/mo for the eight months or pay for all months at once for \$184, and save \$16! Meetings will be the second Tuesday or the second Saturday of each month, 9-10 a.m. You can sign up from now until November 18. Don't wait too long, because we have a limited number of slots available.***
