## Come grow with us!

Residence Hall Assembly (RHA) is the voice of the Residence Halls. If you're living in the Residence Halls, come join us for our weekly meetings on Tuesdays at 8pm, or if you don't have time for our weekly meetings, come join us during one of our MANY events! Our organization is a great way for you to become involved on campus, but no pressure; how involved you are is totally up to you. Through RHA, you'll be able to reach out across campus. Do you want to talk to University Housing about the cost of living? RHA does that! Do you want to talk to the head of the Dining Services about putting your favorite food on the menu? RHA does it! Do you want to connect with other on-campus organizations? RHA does that! Do you have a passion for community service? What about diversity? RHA definitely does! Do you want to be connected with other students on-campus, within the region, across the nation? RHA does that! If you're looking for a place to belong, if you want to be involved and make a difference, if you want to be recognized and inspired.... then we are exactly what you're looking for.

*We believe everyday should be an RHA day!  
Aside from the many programs and events we  
do outside our weekly meeting, we are always  
thinking of new and exciting ways to bring more  
to your Residence Hall experience!*

## Live, Learn, Lead...

We promise you're going to love the Residence Halls as much as we do!

*No matter who you are, if you're living in the  
residence halls, you belong with us!*

## Are you interested in being connected on-campus?

RHA is a strong advocate for the Residence Halls. Through "Partnered Programming" we help you get connected with many on campus organizations--we literally bring them right to you! We also team up with many organizations through the year to put on many events! We do many community service projects, like blood drives, habitat for humanity, and host numerous programs to raise money for charities!

## What about being connected Regionally and Nationally?

Every year, Pittsburg State RHA attends both national and regional conferences: Midwest Affiliate of College and University Residence Halls (MACURH), and National Association of College and University Residence Halls (NACURH). If you are chosen to attend through an application process, you'll meet people from all over the country (and the world!) all while bonding with current RHA members! These conferences will help inspire you about our organization and about your future! We can't even begin to explain how much you'll love it!

## So what are you waiting for?

If you've got a great idea or something you'd like to change, then bring it to us! We believe in making the Residence Halls the best place for residents to live! Let's come together. If participating in Homecoming, helping raise money for charity, developing the residence halls, participating in and running events, being involved and being connected, being a friend and being a leader are what you're looking for...then look no further!
