

Village of Downs, IL-Residential Garbage and Recycling Contract Bid Letting

NOTICE IS HEREBY GIVEN that on January 5, 2012, bids will begin to be accepted and reviewed for the residential garbage and recycling services contract for the Village of Downs. The current contract is set to expire on April 30, 2012. This community of approximately 340 residences requires weekly service for garbage, and recycling as well as public building services. Bid award will take place following the town meeting on April 5, 2012. For further information or submission of bids, please contact Trustee Mike Sumner at the Village Hall.
