

# IF THE HAT FITS

**Instructor: Tiffany Hayes**

If you have never done a Buggy Barn pattern, this witch wall quilt is your chance for a lot of fun.

The quilt uses a layering and shuffling technique that brings variety and fun to the quilt.

The pattern is three dimensional and the witches legs and noses add movement and texture.

You can almost see them fly.

## **The Usual Sewing Stuff**

Sewing Machine (in good working order)

Variety of Sewing Machine Feet

Thread

Scissors

Rotary Cutter

Mat

Ruler

Seam Ripper

Pen or Pencil (for taking notes)

## **Specific items needed for this class:**
