AND Fri Dec 7 .....10:00-1:00

Finish those projects! Machine quilting makes fast and easy work of finishing quilts, quilted clothing, placemats, table runners, wall quilts, etc. Based on Harriet Hargrave's book, Heirloom Machine Quilting, our Machine Quilting class covers basic machine quilting, your machine's walking foot (even-feed foot), and free-motion quilting. We also cover how to deal with handling a full-size quilt on your domestic machine using techniques from Marti Mitchell's book Machine Quilting in Sections.
