

Nothing Sews Like A Bernina. Nothing.

BERNINA®

1008

A
convenient
mechanical
machine,
priced
affordably.

This gem of a sewing machine has the BERNINA features and easy convenience beginners love...at a very affordable price. Ideal for sewing quilts, crafts and garments, the machine offers 16 practical and decorative stitches plus an easy-to-sew buttonhole. And every stitch is perfectly balanced and evenly placed right where you want it.

As for convenience, it's built right in. Stitch selection is fast and easy. And the machine tells you which presser foot, stitch length and width, and needle position you'll need for the best results. There's also a handy thread cutter, a bobbin winder you can't overfill, and a host of other features that make sewing simple and fun.

Key Features

Below are just a few of the great features you'll find on the 1008. Stop by your local BERNINA Dealer for a complete demonstration of everything this machine has to offer.

Perfect Sewing

CB Hook

Our patented CB Hook system ensures perfect, balanced stitches on any fabric, every time.

Infinitely Variable Stitch Length/Width

Match and adjust stitch width and length for any type of fabric or thread selection.

Five Needle Positions

Five needle positions let you position your stitches precisely where you want them without moving the fabric.

6-step Buttonhole

Get perfect buttonholes on any fabric. Our 6-step buttonhole delivers even, adjustable density on both forward and reverse beads (with both beads sewn in the same direction for even density).

Convenience Features

Stitch Setting Chart

This easy chart helps you choose the correct presser foot, needle position, stitch length and width.

Slender Freearm

The slender freearm makes it easier than ever to sew kids' clothing, cuffs, collars or other circular items.

Convenience Features (continued)

Retractable Carrying Handle

This sturdy, retractable handle tucks away when you store your machine.

Easy-to-reach Feed Dog Drop

With its external knob and handy location, the feed dog drop is ready when you are.

Features	Benefits
Stitch Length 0-5mm	<ul style="list-style-type: none"> • Infinite stitch length selection; match the stitch length to the fabric and thread selection.
Stitch Width 0-5.5mm	<ul style="list-style-type: none"> • Infinite stitch width selection; can adjust for any type of fabric; smooth, step-free satin stitching for appliqué.
Thread Cutter	<ul style="list-style-type: none"> • Conveniently located on the left side of the machine; cuts and holds the threads until sewing resumes.
6-Step Buttonhole	<ul style="list-style-type: none"> • Both beads are sewn in the same direction for even stitch density. Density is adjustable for perfect buttonholes on any fabric.
Bobbin Winder	<ul style="list-style-type: none"> • Stops automatically when the bobbin is full so there will be no overfilling of the bobbin. The handy thread cutter at the base of the spindle helps make bobbin filling easier.
Quick Reverse	<ul style="list-style-type: none"> • Tie off stitches at the touch of the button.
Accessory Case	<ul style="list-style-type: none"> • Stores presser feet, bobbins, needles and sewing notions; fits onto the machine and extends the sewing surface.
Carrying Handle	<ul style="list-style-type: none"> • The retractable handle makes it easy to transport your machine, yet is out of the way when sewing. The handle also has a supplemental thread guide for specialty or unruly threads.
Slide-off Stitch Plate	<ul style="list-style-type: none"> • With a matte finish and glare-free guiding lines, the stitch plate has inch markings for accurate seaming. 5/8" lines in front of and behind the needle position make it easy to turn corners for accurate placement. The plate is easy to remove for thorough cleaning of your machine.
Soft Cover	<ul style="list-style-type: none"> • A soft cover is included to protect your machine from dust.
Stitch Selection Panel	<ul style="list-style-type: none"> • Readable at a glance, the panel indicates the correct presser foot, needle position, stitch length and width for successful sewing.
Consistent Thread Tension	<ul style="list-style-type: none"> • Conveniently located; easy to use because a red line indicates the normal setting. On most fabrics, the tension does not need to be adjusted.
External Dial to Lower Feed Dog	<ul style="list-style-type: none"> • Easy to use for freemotion work and delicate fabrics.
Free Arm	<ul style="list-style-type: none"> • Easy to work on small, cylindrical areas such as cuffs and collars.
Expandable	<ul style="list-style-type: none"> • Add feet and accessories as you need them. BERNINA offers the widest variety of feet and accessories to meet all your sewing needs.
3-Step Power/Light Switch	<ul style="list-style-type: none"> • Dual-purpose switch allows power only or power with light.
Warranty from Date of Purchase	<ul style="list-style-type: none"> • 2 years in the case of electrical parts. • 20 years in the case of mechanical parts.
