

# One Block Wonder

## Supplies Required for Class

- One Block Wonder Book - cannot share books due to copyright
- Sewing Machine and basic sewing supplies (foot, power cord, 1/4" foot)
- thread
- 24" rotary ruler
- 60 degree ruler or ruler with 60 degree guide (I use the good grips 12-1/5 by 6-1/5 ruler with the 60 degree guide)
- 24" or bigger rotary mat
- rotary cutter with new blade
- Flat Head pins
- safety pins
- Fabric - 6 repeats of 1 fabric, can have additional but need to be in multiples of 6. You can also see page 17 in the book, we will be doing the Hexagons. If you want to use the same fabric for the border don't forget to buy extra (generally 1-1/2 to 2 yards for borders).
- Generally a larger print is better but it is a personal preference. You can ask to borrow the mirrors that are kept at the front counter to see how the fabric will look.
  - 1 set (6 repeats) of 12 inch repeats = Lap/baby
  - 1 set (6 repeats) of 24 inch repeats = twin size quilt

**IT IS VERY IMPORTANT YOU DO NOT IRON OR WASH THE FABRIC**
