

PFAFF®

The
difference
is in the
details!

With the original
IDTA
only from PFAFF®

ambition™ line

Experience the new PFAFF® ambition™ line and feel the difference that makes these sewing machines truly special. The PFAFF® design is unique and as distinctive as the brand it self. Behind the clean lines is the most modern functionality, to take you further. The original IDT™ System, the high resolution touch screen, a variety of beautiful stitches and alphabets – these are just a few of the special features that, compared to top competitor machines at this price range, can't be found. Be swept away to a world of new possibilities and inspirations.

**MAKE THE COMPARISON.
DISCOVER THE DIFFERENCE.**

Unique decorative stitches combined with fanciful fringe. The Chenille Foot from PFAFF® makes it easy! Learn more at www.pfaff.com

The difference is in the details!

Two models, each with exceptional features are waiting to be discovered by you.

- | | |
|-----------------|---|
| SPACIOUS | The largest sewing space* and the long free-arm makes sewing any size project effortless. |
| BRIGHT | The perfectly illuminated sewing area and the large high-resolution touch screen will optimize your work process. |
| PRECISE | The original IDT™ System guarantees absolutely even fabric feed from top and bottom. |

ambition™ line

*As compared to top competitor machines in this price range.

The difference is in the details!

New sewing comfort and perfection for you!

Fashions, accessories, quilts or textiles for your home – the new PFAFF® ambition^{line} sewing machines do it all, and are filled with surprises.

Look forward to a **generous 200 mm space** to the right of the needle. That means relaxed working and lots of space for large amounts of fabric – an advantage for quilters! Thanks to the **three led light sources** the complete work surface is optimally illuminated with no shadows.

Choose one of the **195* stitches** from the large repertoire of the PFAFF® ambition^{line} sewing machine. The **large high resolution screen** shows everything full-sized, detailed and sharper than ever before. All important information can be seen at a glance. The Touch screen (ambition^{line} 1.5 only) allows easy access to all stitches with the stylus. The optimal settings are pre-programmed and can be individually adjusted and saved in one of the **4 memories**.

Adjust speed, thread tension and presser foot pressure when using special techniques or different fabric types. The **extra-high presser foot lift and electronic piercing power** are ideal for thick fabrics and several layers.

Sew without the foot control with the **start/stop button**, adjust the speed with the speed slider and, if you wish, the machine will **tie-off** and stop automatically.

Touch a button to set your **needle** to automatically stop **up or down** in the fabric, for pivoting, appliqué and other special techniques. With **29 needle positions** you can place the needle exactly where you want it to be. Perfect for topstitching, quilting, inserting zippers and more.

The difference is in the details!

Unique features compared to the top competitor machines at this price range:

- Large high resolution screen
- Touch screen (1.5)
- The original IDT™ System
- Up to 195 stitches
- Up to 4 alphabets
- 29 needle positions

The original – only from PFAFF® for over 40 years!

THE ULTIMATE IN PIECING PERFECTION

Absolutely even fabric feed from both the top and the bottom.

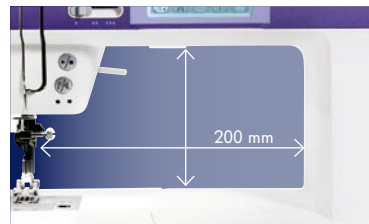

Everything stays in place when working with fine fabric or several layers. Ideal for quilting. When sewing long pieces of fabric, such as curtains, both layers are fed evenly along the entire length. Patterned fabrics, such as stripes, always match.

The PFAFF® ambition^{line} sewing machines offer the best features for quilting! The generous sewing space, IDT™ System for absolutely even fabric feed, 29 needle positions, quilt stitches, needle up/down position and a lot more. Discover the difference at your PFAFF® dealer.

* PFAFF® ambition^{line} 1.0 sewing machine with high resolution screen and 136 stitches,
PFAFF® ambition^{line} 1.5 sewing machine with high resolution Touch screen and 195 stitches.

Easy access to all stitches with the stylus! View your selections, options and stitch information on-screen. All stitches are shown in full size. Highest resolution level!

Not only quilters will love it: lots of space for large amounts of fabric.

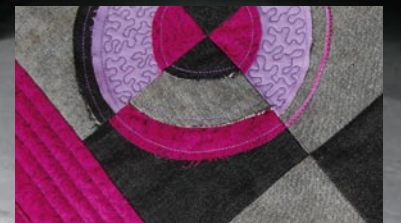

3 bright lights illuminate your entire sewing area without shadows.

The difference is in the details!

The geometric forms, the sophisticated embellishments and the unusual combination of denim and cotton fabric give this quilt that special something. Typically PFAFF® style – always unique. Instructions can be found at www.pfaff.com

ambitionTM line

The difference is in the details!

New inspiration for you!

Take a closer look into the stitch repertoire of the PFAFF® ambition™ line sewing machines and discover the difference. Up to 195 stitches* realize all your ideas.

Professional utility stitches, perfect buttonholes und a huge variety of enchanting decorative stitches, quilt, cross and hemstitches to give your creation that special finishing touch. Choose from up to **4 different styles of alphabets** and create individual names, words and numbers. **Mirror, combine and save** up to 20 individual stitches, letters and commands in your sequence memories. The high resolution screen shows everything. **With elongation** you can lengthen satin sitches while maintaining the same density for a professional result.

For free motion sewing, **lower the feed dogs** and simply attach **the free-motion foot** (optional). When you work with the twin needle, the **twin needle program** adjusts the stitch width to prevent needle breakage.

All this and more are waiting for you. Visit your authorized PFAFF® dealer and test drive the PFAFF® ambition™ line sewing machines for yourself.

Free motion sewing – let your imagination run free.

Mirror, combine and save stitches and create your own design highlights. Up to 4 alphabets. Choose from different styles.

All features at a glance

IDT™ System (Integrated Dual Feed) – Absolutely even fabric feed from both the top and bottom. IDT™ System is ideal for the quilter and sewer! IDT™ System works with any stitch in forward or reverse at any stitch length or width. Built right onto the machine, it can be easily engaged or disengaged as needed. Many PFAFF® accessories and presser feet can be used with IDT™ System to ensure even seams with any stitch on any fabric.	✓	✓
Large sewing space – The sewing area to the right of the needle is 200 mm, great for large sewing projects.	✓	✓
Stitches – A wide variety of beautiful 7mm stitches, including utility stitches, buttonholes, decorative stitches, quilt stitches, cross stitches and hemstitches.	136	195
Alphabets – Choose from four different font styles: Block, Outline, Script and Cyrillic letters.	2	4
Innovative PFAFF® design – Built to make sewing easy and to achieve the professional results that sewers want.	✓	✓
High resolution screen – You can view your selections, options and stitch information on screen. Also, all stitches are shown in real size.	✓	✓
Touch screen – Allows easy access to all stitches with the stylus.	✓	✓
Bobbin thread sensor – Alerts you when the bobbin is running low.	✓	✓
Start/Stop button – Press the Start button to sew without the foot control.	✓	✓
Speed slider – adjust the speed with the speed slider for full control.	✓	✓
Three LED light sources – Optimized bright lights illuminate your entire sewing area without shadows.	✓	✓
Free-motion sewing – Simply attach the optional free-motion presser foot for easy quilting and free-motion embroidery.	✓	✓
External feed dog drop – Lower the feed dogs for stippling, free-motion embroidery or darning.	✓	✓
Extra presser foot lift – Raises the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.	✓	✓
Presser foot pressure – Can be adjusted when using specialty techniques or when sewing on light or heavy fabric.	✓	✓
Adjustable thread tension – The recommended thread tension setting for the selected stitch is displayed on the high resolution screen.	✓	✓
Needle up/down – Touch a button to set your needle to automatically stop up or down in the fabric for pivoting, appliqué and more.	✓	✓
Immediate tie-off – When selected the machine will tie-off automatically at the end of a seam for a quick and easy finish.	✓	✓
Programmed tie-off with indicator – Choose from one or several tie-off options.	✓	✓
29 needle positions – Perfect for topstitching, quilting, inserting zippers and more.	✓	✓
Twin needle program – Automatically adjusts the stitch width to prevent needle breakage.	✓	✓
Stitch width safety – Limits stitch width to center needle straight stitch while using straight stitch needle plate and/or straight stitch foot to prevent needle breakage.	✓	✓
Elongation – Lengthen satin stitches and entire stitch will be longer but the density remains the same.	✓	✓
Mirror image – Flip the stitch from side to side, and/or end to end, for more creative possibilities.	✓	✓
Sequencing – Combine and save up to 20 stitches and/or letters into one of the four sequence memories.	✓	✓
Save personal stitch – Change the settings of a built-in stitch to your personal preference and save it in one of the four sequence memories.	✓	✓
Integrated needle threader – Makes threading the needle fast and easy.	✓	✓
Stitch plate – Markings to the left and right of needle helps you guide your fabric.	✓	✓
Snap-on/Snap-off presser feet – Changing is easy – no screws or other tools are needed.	✓	✓
Top loaded bobbin – Easy to access.	✓	✓
Permanent reverse – Your hands are free to guide your fabric.	✓	✓
Electronic needle piercing power – Full piercing power at any speed with total control.	✓	✓
Hard cover – Protect your sewing machine when transporting it, and keep it dust free.	✓	✓
Two spool pins – For twin needle sewing or specialty sewing.	✓	✓
Accessory tray – With two compartments to use for storing accessories and bobbins.	✓	✓
Accessory feet included – 0A Standard foot, 1A Fancy stitch foot with IDT™ System, 2A Fancy stitch foot, 3 Blindhem foot with IDT™ System, 4 Zipper foot with IDT™ System, 5B One Step Buttonhole foot.	✓	✓
