More imaginative and professional sewing

A computerized sewing machine with a large stitch selection and sewing comfort

NEW

C1100 Pro

SMARTER BY PFAFF™ – inspired and developed by the premier PFAFF® sewing machine brand

So much more sewing comfort and inspiration!

Start looking forward to more than 200 enchanting utility and decorative stitches, with which to set unique creative accents and achieve excellent results.

An extra large sewing area and an amazing sewing comfort are waiting for you. Simply select sewing programs and functions at the touch of a button – the LCD screen will show you all information. The stitches already have the optimal settings and can be changed as you choose.

Develop your sewing knowledge and take the next step with a SMARTER BY PFAFF™ C1100 Pro sewing machine.

C1100 Pro

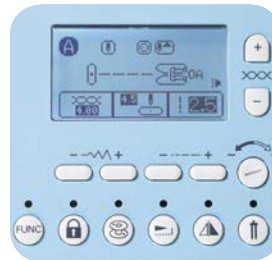

Large sewing area to the right of the needle.
Perfect for working with large amounts of fabric.

Decorative Embellishments

A wide variety of enchanting 9 mm decorative stitches and letters to create beautiful details and unique eye-catchers.

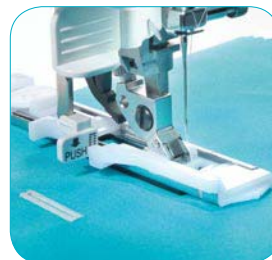

LCD Screen

Stitch width and length, presser foot, thread tension and sewing information – all at one glance, thanks to the LCD Screen.

Twin needle program

When using a twin needle, the stitch width is adjusted by the touch of a button. Prevent needle breakage.

One step-buttonhole

Sew one of ten professional buttonholes in a single step.

- **Thread the needle**
quickly and easily, thanks to the built-in needle threader.
- **Needle up/down**
Set your needle to stop up or down in the fabric for easy pivoting.
- **Start and Stop-Button**
Sew without the foot control and adjust speed in the front of the machine.

Dual Feed System

Even fabric feed from top and bottom.
Ideal for demanding materials, stretch fabrics, several layers, and much more.

C1100 Pro

This and so much more ...

- Large sewing space and LED lights
- DFS™-System – Perfect fabric feed
- 207 stitches including beautiful 9 mm decorative stitches and 10 buttonholes
- 2 alphabets, including upper and lower case letters, numbers and symbols.
- Electronic thread tension
- Extra presser foot lift and needle up/down
- Mirror image, twin needle program
- Feed dog drop – for special techniques like free-motion-, and button sewing
- Front load bobbin, top and bobbin thread sensor and separate bobbin winding motor
- Built-in needle threader and thread snips
- Kneelift and free arm
- 2 built-in spool pins and industrial-style thread holder
