The June newsletter is written before we start May! Because of that, I cannot comment on what we are going to learn at the Husqvarna Viking convention mid-May! I know I am taking a class using many different feet. By the time you read this, we hope you will have seen samples of our class experiences which Roni and I gave during the

Convention Reports. We also hope the information will stimulate classes you will want us to offer in July! If you missed the report, ask about what happened!!!

The e-mail sent each Monday morning helps bridge the time and information laps that occur with the way we must plan ahead. We appreciate that several of you have written to us at [sew@lascruces.com](mailto:sew@lascruces.com) requesting e-mail messages and you are now getting your newsletter on line. I also like your comments that help keep us

on track to give you the best customer service. Yes, we continue to mail the hard copy and are happy to do so, if that works best for you.

Another way to keep in touch is Facebook. We hope you will try our new Facebook.com link and "Like" us!

Did you notice? We made June Sports Month, "sew" several classes have a sport theme.

Keep Positive! Keep Sewing!
