Sew Whatever SewWhatEver In St. George

Thursday nights 5:30-8:30 pm Class Fee is \$10 (supplies not included, but refreshments are!)

Do you feel like you just need a night out with the girls doing something you love? Well we have started a club called Sew WhatEver. We created this with you in mind. We know that it's hard to find time to sew at home without being interrupted with dishes needing to be done, a diaper needing to be changed, phone calls, laundry on the couch staring at ya, plus it's just a lot of fun sewing with other ladies that share the same passion. So we created a night where you can come and let your hair down, get away from the stresses of life, learn new techniques, become a more experienced sewer, and have a chance to finish your UFO'S (unfinished projects) AND have FUN! This is a girl's night out you won't want to miss. We will have a project planned every week, (that's right ladies we're going from twice a week to every week!) but you don't have to do that project, you can bring an unfinished project to work on and finish it. We will be there to help you in anyway we can. If you have any questions please feel free to call us at (435)656-1498. Come join us for fun, friends and food! (Please call to sign up)
