Memorial Day Preparations at Brigham City Cemetery

Cemetery crews began preparation for Memorial Day on Monday, May 14th. Ongoing work includes mowing, trimming and weeding. Please refrain from decorating until the Friday before Memorial Day as this will assist in the preparation work to be done. The Cemetery office will be open on Memorial Day, May 28th from 9:00 a.m. to 1:00 p.m. to assist the community in grave location only. ***Due to the heavy traffic on these days Cemetery Staff will not be able to assist in family genealogy.***

Cemetery regulations require that all flowers, real or artificial, must be placed in a container attached to the monument. Flowers in movable containers must be placed on the headstone or base to ensure easy access for grass cutting. **NO PLANTING OR DIGGING FLOWERS IN THE LAWN IS PERMITTED.** For safety reasons, glass containers, wires, irons, sticks or pegs driven in the ground are **not** permitted.

If you have any questions, please contact Brigham Cemetery at 723-5813.
