## SEWING

*Limited Edition*

## Ignite Your Passion for Fashion

### **Built-in stitches, buttonhole styles and fonts**

- 80 built-in sewing stitches including 10 one-step auto-size buttonhole styles and one sewing lettering font.

### **Aluminum chassis**

- Helps reduce vibration and noise while sewing and adds to portability of machine.

### **Built-in needle threading system**

- At the press of a lever, the thread is pushed through the eye of the needle.

### **Easy stitch selection via 10 digit pad and large back-lit LCD display**

- Select desired stitch pattern with a simple touch on the digital pad and view the stitch length and width information in the large back-lit LCD display.

### **Lightweight portable machine with hard cover**

- Transport and protect your sewing machine with the included hard cover.

### **Ability to combine stitches for greater creativity**

- Combine stitches into favorite patterns, repeat patterns and create mirror images of stitches.

### **3 memory pockets**

- Save your favorite stitch in one of the memory pockets for future use.

### **Hard cover**

- Helps protect your machine from dust.

### **Included operation manual**

## Overview

The Innov-is 80 showcases the latest sewing technology in a portable size and at a very reasonable price. This lightweight machine is packed full of features, which is great for beginner and experienced

seamstresses alike. Make a fashion statement, and let the Innov-is 80 be your voice! With its diverse selection of decorative stitches, buttonhole styles, alphanumeric characters and custom stitch

capability, you're not just sewing...you're creating "personal couture" with enough style and panache to satisfy the most demanding critic: you.
