CLEVELAND COASTER RACES RULES & REGULATIONS

There are five basic requirements for cars and participants

1. Gotta Go!

Each entry must be gravity powered. No motors or engines. There are no Limitations on size, weight, materials or designs.

2. Gotta Turn!

The course is straight, there will be little need for sharp turns. Please do not Try to turn on a dime, it is not safe and may cause your car to flip.

3. Gotta Stop!

Regardless of the braking system that you choose the most important thing is that the car must stop. Good brakes will go a long way in preventing crashes.

4. Gotta wear a helmet!

Helmets are a must! Please do not alter helmets in any way that would change their effectiveness. Cars will not be allowed on the track unless the driver is wearing a helmet. Elbow pads are also strongly encouraged.

5. Gotta have Permission!

Be sure to pick up an entry form/permission slip before the race. All drives under the age of 18 must have the permission slip signed by their parent to enter the race. Entry forms must be signed and turned in before entry may race.
