

POSEY QUARTET MINI

KTQ VINE CREEK FABRIC COLLECTION PETITE 4'S PROJECT

26" x 26" SQUARE MINI QUILT

DESIGNED BY LYNNE HAGMEIER

SUPPLIES

(1) KTQ VINE CREEK CHARM PACK OR PETITE 4*

LIGHT TAN - background - ½ yd.

GREEN - leaves & stems - fat qtr.

BROWN - border & binding - ½ yd.

BACKING & BATTING - 30" x 30" - 7/8 yd.

COTTON THREAD - piecing - dark tan
quilting & raw edge applique - green, tan

BUTTONS - ½" - (8) red, (4) black, (4) tan

**Petite 4's are a limited edition Moda pre-cut with 2 stacks of (160) 2 ½" squares each. This project requires one Petite 4's stack or a Charm pack (5" squares) cut into 2 ½" squares.*

CUTTING

POSEYS - select (16) each of the red, navy, black and dark tan 2 ½" squares.

LIGHT TAN - background

corners - (4) 3 ½" sq.

leaves - (16) 2 ½" x 4 ½"

sashing - (4) 1 ½" x 16 ½"

posey corners - (96) ¾" sq. (*f*) to create (192) triangles

GREEN - (22) 2 ½" sq.

BROWN - outer border - (4) 2 ½" x 14 ½"

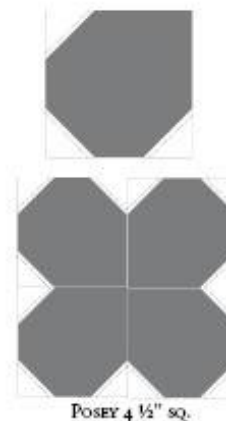

binding - (4) 2 ½" x WOF

ASSEMBLY

POSEYS - Position a $\frac{3}{8}$ " tan triangle on (3) corners of each of the selected posey $2\frac{1}{2}$ " squares; stitch diagonally across corner close ($\frac{1}{8}$ ") to raw edge of triangle with tan cotton thread.

Sew (4) same color but different fabric Posey squares together with stitched triangles toward the outside as shown; press seams. Create (4) each red, black, blue and dark tan Mini Poseys that measure $4\frac{1}{2}$ " square.

LEAVES - Create (16) leaf units using the tan background $2\frac{1}{2}$ " x $4\frac{1}{2}$ " rectangles and green $2\frac{1}{2}$ " squares (green squares are from Petit Four squares and additional green fabric). Lay a green square on one end of the tan rectangle, right sides together and corners matching. Stitch diagonally from corner to corner on green square (draw a chalk line, if needed). Trim $\frac{1}{4}$ " from stitching line; press green triangle toward corner. Repeat for remaining end of rectangle. Make (16) leaf units.

ASSEMBLE THE QUILT - Lay out mini poseys 4×4 in diagonal rows of color, as shown. Sew poseys together in rows; press seams in alternating rows in opposite directions. Sew rows together; press. Mini Poseys center of quilt measures $16\frac{1}{2}$ " square.

LEAVES - Sew (4) leaf units together side-by-side; press. Add a $1\frac{1}{2}$ " x $16\frac{1}{2}$ " sashing strip to top of each leaf unit strip; press toward sashing. Sew a leaf unit strip to opposite sides of mini poseys; press. Add corner squares to each end of remaining leaf unit strips; add to top and bottom of mini poseys; press. Center of quilt measures $22\frac{1}{2}$ " square.

BROWN "SOIL" OUTER BORDER - Sew (2) brown $2\frac{1}{2}$ " squares on each end of (2) of the $2\frac{1}{2}$ " x $14\frac{1}{2}$ " brown border strips for sides of quilt. Add to sides of quilt top; press toward borders. Sew (3) brown $2\frac{1}{2}$ " squares on each end of the remaining (2) brown border strips for top/bottom of quilt. Add to top/bottom of quilt top; press toward borders. Quilt measures $26\frac{1}{2}$ " x $26\frac{1}{2}$ " square.

SANDWICH quilt top, batting and backing using the method of your choice. (*For a small quilt, I prefer cotton batting and a light coat of fusible spray.*) Machine quilt-in-the-ditch between poseys; stitch around leaves and border with green cotton thread.

STEMS - For stems, fuse a 4 " x 13 " piece of fusible web to the wrong side of green fabric. Cut (16) $\frac{3}{8}$ " x 4 " bias strips. Position the green stem strips on quilt from leaves to posey; trim ends to match "v" in leaves and fuse in place. Stitch thru center of strips with green cotton thread and a meandering zigzag stitch.

Trim and square batting and backing. **BIND** with $2\frac{1}{2}$ " double brown binding pieced to at least 132 " long.

Tie or stitch **BUTTONS** to center of Poseys with a double strand of black cotton thread - black buttons on tan poseys, red buttons on black and blue poseys and tan buttons on red poseys.
