SNOWFLAKE APPLIQUE

From light tan woven plaid, cut bias strips (45° diagonal of fabric):

- A - (6) ¾" x 21" bias strips
- B - (6) ¾" x 17" bias strips
- C - (12) ¾" x 7" bias strips
- D - (24) ¾" x 5" bias strips

Lay out (2) A strips in an "x" and (2) B strips in a "+" pattern on each quilted star, as shown. Pin in place. Stitch thru center of bias strips with light tan cotton thread. Position C strips on A strips, folding in a "V" at center, close to gold bias square seam line; pin in place. Fold D strips in a "V" toward ends of A and B snowflake tips; pin in place. Stitch thru center of bias strips with light tan cotton thread. Bias strips will softly curl and fray with washing, but will not unravel.
