

Annie's Scrapbag Project Descriptions:

Bunkhouse Bedroll

54" x 72"

The pieced throw-size Bunkhouse Bedroll is constructed of easy pieced blocks made from a large assortment of reproduction fabrics in blues, browns, golds and reds. The blocks are assembled in strips alternating with a striped print. But, if you can't find a stripe you like, I have included optional directions to make a "faux" stripe.

Fancywork Journal Cover

Fancywork Journal Cover is embroidered with simple embroidery stitches with the addition of wool appliqué. It is designed to cover an inexpensive standard 7 1/2" x 9 3/4" composition book.

Countryside Needlebook

4 1/2" x 6"

Countryside Needlebook features pages to keep your needles organized, separating the needles by type. Each page is labeled with the needle category: between (your quilting needles), chenilles (embroidery), sharps (appliqué and piecing) and tapestry (cross stitch).

Blooms Doll Quilt

19" x 23"

Blooms Doll Quilt is a small quilt comprised of 3" embroidered blocks using a simple chain stitch. The embroidered blocks are set with scrappy pieced blocks in a diagonal set.

Garden Girl

37 1/2" x 56"

Three appliquéd panels overflow with beautiful birds and blooms in the Garden Girl quilt. You'll find full-size appliqué placement diagrams to make the appliqué a breeze!

Annie's Scrapbook

44" x 44"

"Annie's Scrapbook" is a small crib-size quilt comprised of easy-to-appliqué cookie cutter shapes set in a unique medallion set with a dogtooth border. Use the full-size appliqué placement diagrams to place shapes on the larger panels.

Gathering Baskets

18 1/4" square

Gathering Baskets is a table-size wool appliqué project. Diagrams are included for the simple embroidery stitches used in this project as well as Countryside Needlebook and Fancywork Journal Cover.
