Pivot function

- The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation.

My Custom Stitch™ feature

- Create personalized sewing stitches for any style of sewing.

Free-motion stitching

- The foot height adjusts for precise free-motion projects. Three included free-motion feet.

Advanced LCD touch screen display

- Select, edit and save stitches, and view built-in tutorials on the 4.6" x 3.5" touch screen.

Multi-directional Sewing

- Sew straight stitches in 8 directions and zig zag in 4 directions.

Circular Sewing

- Attach the measured circular sewing attachment and make concentric circles, arcs and more.

Bobbin Work

- Add impressive stitching to projects with the bobbin case for Bobbin Work; use a variety of specialty threads that don't fit through the eye of the needle.
