

CP-6500

Lightweight computerized sewing machine heavy on the features!

Overview

Looking for a lightweight, computerized sewing machine that has all the features of a bigger machine? Look no further than the CP-6500! With 60 built-in stitches, 110 stitch functions, and seven styles of one-step auto-size buttonholes, this machine is perfect for virtually all your crafting, garment, home decorating or quilting needs. Convenient features such as an LCD screen with computerized stitch selection, automatic needle threading, automatic bobbin winding, one-step bobbin replacement, and one-touch start/stop/reverse operations make the CP-6500 incredibly easy to learn and use. Lightweight, affordable and packaged with over a dozen accessories, the CP-6500 is the perfect computerized solution to your sewing needs.
