

## **CP-7500**

**Computerized machine for virtually all your sewing and quilting needs!**

### **Overview**

Looking for a lightweight, computerized sewing and quilting machine that can accommodate your larger projects? The CP-7500 may just be your dream machine! With 70 built-in stitches, 110 stitch functions, and seven styles of one-step auto-size buttonholes, this machine is perfect for all your crafting, garment or home decorating needs. The oversized wide table can accommodate your quilting and larger projects as well. Convenient features such as an LCD screen with computerized stitch selection, automatic needle threading, automatic bobbin winding, one-step bobbin replacement, and one-touch start/stop/reverse operations also make the CP-7500 easy to learn and use. It even has a hard cover to protect your investment. Lightweight, affordable and packaged with over a dozen accessories, the CP-7500 is the perfect computerized solution to your sewing needs.

- 70 built-in stitches and 110 stitch functions
- LCD screen with computerized stitch selection
- Oversized wide table for quilting and larger projects
- One-touch start/stop/reverse operations
- 1-Step Buttonhole with 7 Styles
- Automatic needle threading
- Quick-Set™ drop-in bobbin and automatic bobbin winding
- Variable sewing speed control
- Selection of accessories included; hard cover, six sewing feet and more
