

## **HS-2000**

### **Project Runway Limited Edition HS-2000**

#### **Overview**

Whether you're looking to take on a new sewing project or craft a super quilt, the feature-heavy Project Runway Limited Edition HS-2000 is the perfect machine for you! With 70 built-in stitches, including 7 styles of 1-step auto-size buttonholes, this machine virtually does it all! Features like the large back-lit LCD display with simple push-button stitch selection, super easy needle threading system, jam resistant drop-in top bobbin and bright LED lighting system provide a new level of ease in your sewing! The electronic variable speed control, start/stop button and full range of included accessories add to the convenience the HS-2000 brings to your sewing projects – perfect for the designer in you!
