

LX-3125E

Compact and Lightweight sewing gets a new face!

Overview

Express your creativity with this compact, lightweight sewing machine that is perfect for basic sewing and mending, while expressing your personality with the machine's three included Fashion Faces™ decorative skins! A first in sewing, the LX-3125E comes with a Pink Floral design on the front of the machine and offers three decorative interchangeable decorative skins in Blue Strip, Floral and Zebra to allow you to customize the look of your machine. The machine also comes with 14 built-in stitches and 35 stitch functions and a convenient pattern selection dial. With four quick-change presser feet, a built-in sewing light and automatic bobbin winding system, set-up is fast and easy. Use the built-in accessory storage space to store the full assortment of included presser feet and other notions. From simple projects like mending hems to do-it-yourself home décor creations, the LX-3125E boasts all the features you need to achieve effortless sewing results.
