SEWING

Inspire Your Fashion Sense

Built-in stitches and buttonhole styles

- 50 built-in sewing stitches including 5 styles of one-step auto-size buttonholes.

Easy stitch selection via the LED screen

- Select stitch patterns using the easy-to-use touch pad.

Quick-Set™ bobbin

- Just drop in a full bobbin, pull the thread through the slot and start sewing.

Six-point feed dogs

- Easy feeding of all types of material.

Advanced needle threading system

- With the press of a lever, the thread is pushed through the eye of the needle.

Multiple needle positions

- Flexibility to sew at precise points for a wide range of projects.

Hard cover

- Helps protect your machine from dust.

Included bilingual operation manual

Overview

This Project Runway Limited Edition machine allows you to transform your wardrobe by creating hip, fashion-forward clothing like those seen on the runway. This computerized sewing machine is equipped with great tools for both beginners and experienced seamstresses alike, inspired to

create their own couture creations that are fit to pass the critical eye of the most discerning diva. The PC-210PRW makes sewing fun and exciting. With the touch of a button, the LED screen displays the stitch pattern number. The needle position change function allows you to move the needle to the left or center,

making it easy to sew fabric at the precise point you need a stitch. The Quick-Set™ Bobbin ensures fast and easy sewing. All 50 stitches are available for reference whenever you need to make your next stitch. You'll soon be on your way to redoing your entire wardrobe with the PC-210PRW!
