

## **SQ-9000**

### **Feature-Rich Computerized Sewing & Quilting Machine**

#### **Overview**

Whether you're looking to take on a new sewing project or craft a super quilt, the feature-heavy SQ-9000 is the perfect machine for you! With 80 built-in stitches, 120 stitch functions, eight styles of 1-step auto-size buttonholes and a built-in font for basic monogramming this machine does it all—and then some! Features like the built-in stitch guide flip chart, which is right on the machine, advanced needle threading system, F.A.S.T bobbin winding system and bright LED lighting system provide a new level of ease to your sewing, while a drop feed for free motion quilting and oversized wide quilting table make quilting easier than ever! The electronic variable speed control, start/stop button and full range of included accessories add to the convenience the SQ-9000 brings to your sewing and quilting projects. With the SQ-9000, experience computerized sewing and quilting at its best!

- 80 built-in stitches and 120 stitch functions for heirloom, quilting and decorative stitching, and garment construction
- Built-in sewing font for basic monogramming
- 8 styles of auto-size buttonholes
- Large back-lit LCD display with simple push-button stitch selection
- Flip-stitch guide
- Electronic variable speed control and start/stop button
- F.A.S.T bobbin winding system
- Full range of quilting accessories, including oversized quilting table and quilt guide for foot holder
- Free arm for sewing cuffs and sleeves
