

XR9500PRW

Project Runway™ Limited Edition Computerized Sewing Machine

Overview

With 100 unique built-in utility, decorative and heirloom stitches, the XR9500PRW Project Runway™ Limited Edition sewing machine is the ideal machine for embellishing virtually everything, from clothing to home décor items, and for creating unique quilt designs. The machine is equipped with a large backlit LCD screen which enables computerized stitch selection, and a unique flip-stitch guide. Becoming a sewing fashionista has never been easier! Whether you want to use the built-in 55 alphanumeric stitches for lettering or basic monogramming, select one of the 8 styles of 1-step auto-size buttonholes or use the oversized wide table to accommodate your larger quilt projects, the XR9500PRW can do it all—and then some! Lightweight and portable, this computerized machine offers a wide range of convenient features. Get started on your runway creation with the XR9500PRW!
